

The Travel Industry has faced many challenges over the past decade and, although the sector is complex and highly regulated, the Travel Team at Bond Partners LLP have an extensive knowledge and understanding of the issues facing owner managers of travel agencies and tour operators in today's arena.

We recognise that your business requires an accountancy practice that offers specialist services, business support and management assistance that are relevant to the Travel Sector and tailored to your specific needs. We build strong, long term relationships with each of our clients, ensuring that we deliver high quality service to satisfy your needs.

If, unfortunately, your business is not heading in the right direction Bond Partners LLP also specialise in Business Turnaround/Rescue and Insolvency. We have an impressive track record in business Turnaround/Rescue, with over 20 years experience. Our strategy for sustainable recovery is not just about cutting overheads and refinancing but in helping you to develop a plan that should enable you to achieve future success.

Uniquely, we have 2 consultants in our Travel Team who bring with them a wealth of expertise, having a combined experience of 55 years owning and operating travel businesses. Being fully conversant with industry compliance, we are able to offer a full range of support services.

We agree our fees with you before commencing any work, giving you complete peace of mind and the ability to forecast effectively.

If you would like to meet with us to discuss your business, please call Michelle King on 0870 850 9831 to arrange an appointment. Our first consultation is always FREE and without obligation.

Whatever the current stage of your business, and whatever your own current life-stage or plans, it is prudent to discuss possible succession scenarios with us so that we can work proactively to ensure the future of the business and the greatest possible rewards for your endeavours.
